

The next era of
industry
starts here.

Together, let's shape the *future of* *technology*

A6K is a unique and stimulating ecosystem that brings together *industrial players* in a same hub in the heart of the city in order to foster innovation in the field of engineering.

1/ INNOVATION

by physically gathering all the experts and tools needed to *stimulate the emergence of innovative projects* in the engineering industry.

R&D LEADERS \

2022	2026
120	500

2/ INCUBATION

create, host and *accelerate young start-ups* by providing them with the necessary technological skills to boost entrepreneurship.

START-UPS \

36 000

A large group of people, mostly men, are gathered in a modern, brightly lit indoor space with large windows and indoor plants. They are dressed in casual to business-casual attire. Some are holding up blue signs that read "PRIX DIGITAL WALLONIA". In the background, there are banners for "EXPO WORLD CONGRESS 2021" and "VIVATECH 2024 à Paris". The overall atmosphere is professional and collaborative.

A.6K

Together, let's shape
the *future of*
technology
